- Solid experience in global tax and transfer pricing in multinational companies.
- Long-standing former QP workshop facilitator and marker.
- Extensive teaching experience across tertiary institutions, Big4 and public students.

21-year experience

Taught all Big4s

Very good pass rates

Congratulations to Mr WT Wong. Top Score Winner in ATX (HKG)

Comments from Mr WT Wong on teaching by our tax expert Angela Nip:

I am truly honored to be awarded the Hong Kong Top Score Winner for ACCA ATX (HKG) June 2026. Navigating such a dense and complex syllabus was no easy feat, but Angela's expertise was pivotal to my success. Her lecture notes are exceptionally well-organized, and she has a remarkable ability to break down convoluted tax concepts using real-life examples. What set her guidance apart was the rich exam database and her deep-dive analysis of the marking schemes — watching her exam videos is an absolute must, as she thoroughly explains how to capture every mark efficiently. Beyond the structured materials, Angela always promptly addressed my queries, helping me clear up doubts immediately.

For future candidates, my top advice is to create a realistic study schedule early; ATX is far too comprehensive to cram at the last minute. Trust the process, follow Angela's roadmap, and focus on the marking logic!

Course Feature ATX

- Your learning accelerates through two integrated components built for exam success.
- **Knowledge Phase**: Angela's lectures and exam-focused notes turn complex tax rules into clear, practical understanding, giving you a strong and reliable foundation.
- **Practice Phase**: Selected past-paper questions deliver instant reinforcement of what you've learned, while Angela guides you through the essential exam strategies needed.

100% True Testimonial

She taught me good ways of writing answers

Angela is a master of HK Taxation.

Enrolment Policy

1. Only students who have fully paid tuition fee and their payment received by Arrow Professional Training Limited (Arrow) can be regarded as a successful enrolment. Enrolment is also subject to availability.
2. All discount provided cannot be redeemed by cash and all matters and disputes will be subject to the final decision of Arrow.
3. Arrow reserves the right to cancel a course due to unexpected situation and refund amount will be made upon the outstanding sessions. Also, changes on lecturers, schedules and any other course details will be made if needed. If these changes happen after the course commencement, Arrow will send email to notify students and try to keep the arrangement as closed as the original version. Under such circumstances, fees paid are non-refundable and non-transferable and no compensation will be provided by Arrow.

Identification Policy

1. Students names, phone number, and IP address will be shown in the videos as a watermark.
2. Students need to log in with sms code sent to their mobile phones.

Learning Materials

1. Students should not disclose and share learning materials to the third party by printed, digital or any other format, and the learning materials is only for students' personal use. All learning materials prepared are under Arrow's copyright and protected by Hong Kong copyright laws.
2. Resale of Arrow learning materials(in any formats) is prohibited. Arrow reserves the rights to pursue legal action if necessary.
3. Video / audio recordings and distribution of them are prohibited. Arrow reserves the rights to pursue legal action if necessary.
4. Any sharing of elearning login details or suspicious logins on the elearning platform are found will lead to immediate suspension of service. Arrow reserves the rights to pursue legal action if necessary.
5. Students might not be able to access eLearning platform in mainland China due to the Great Firewall. Arrow is not liable for connection failure to eLearning platform in such situation.
6. Students are only granted access to the learning materials, including videos and notes in current diet. The account will be deleted permanently on the exam dates in current diet.
7. The marked paper will be returned to students who have purchased marking service in 3 working days after Arrow received the paper.
8. It is the student's responsibility to pick up printed notes within a reasonable time. In case of return to Arrow, he / she needs to pay for extra delivery fees.

System Requirement of eLearning Platform

1. Arrow's videos can be played on numerous devices and systems. It is the student's responsibility to make sure his / her device is capable of playing Arrow's videos. Arrow would not refund if the student's device / system is not up to the latest version.

Certificate of completion

1. Students can obtain a certificate of completion on the elearning platform by doing below: (a) continuously spend 80% content hour on each session; (b) press "Mark complete" button at the bottom on each session page after that; (c) a certificate will be auto-generated and available for downloading after you have finished all sessions and marked all sessions completed.
2. Students should keep a record of the certificate for their own usage once the certificate is available for downloading. All account data will be permanently deleted after the exam dates in current diet. Re-issue of certificate will not be available after data clearance.

Refund Policy

1. Once enrolled, fees are non-refundable and non-transferable unless Arrow cannot conduct the courses as scheduled (for example because of sickness of lecturers), and the refund amount will be based on uncompleted sessions.
2. If ACCA cancels the exams, students are entitled to proportional refunds. The amount will be based on uncompleted sessions on the day of cancellation. However, refund does not apply to the following situations: (a) ACCA postpones the exams or (b) students voluntarily postpone/ cancel their attempt of ACCA exams.

Arrow's Service

1. The course cannot cover the whole syllabus, but the lecturers will cover as much as possible.
2. One to One Consultation over the Phone: Reservation is required and on a first-come-first-served basis. Any comment / advice / suggestion provide by Arrow are only based on their own knowledge and for reference only, Arrow has no responsibility on any actions taken by students due to the consultation.
3. Only paid students can make request on Arrow's services.

Personal Data Protection

1. Students' personal data will be used to proceed their application of admission, and for Arrow's direct marketing, internal analysis and verification. Without your personal data, Arrow may not be able to provide students with services they require. Also, Arrow may share students' personal data with third party providers if it is a must for them to perform their services to Arrow. It is students' responsibilities to provide the most up-to-date personal information, they have the right to access and correct their personal data. Students can request to opt out from Arrow's marketing mailing lists at any time. In all circumstances, data will be treated in strict confidence.

Other information

1. Students agree on Arrow's terms, conditions and personal data protection policy. All terms, conditions and personal data protection policy are subject to change without notice. Please contact Arrow for the most updated version or they could find it on Arrow websites www.arrowtraining.com.hk or www.arrowelearning.com.hk. All matters and disputes will be subject to the final decision of Arrow.
